Join our Rally for latest news: **SPP PTC UPDATES**

## PTC

The parent-teacher club provides services for the school and raises funds through events, while supporting our school's mission to **"provide a superior education and develop Christian leader"**. All families are encouraged to get involved.

## Supporting SPP

Why does PTC raise funds?

Sts. Peter and Paul school's goal is to keep catholic education accessible to as many families as possible. By keeping our tuition costs down and the increases to a minimum.

Your contributions made to the school above and beyond tuition are considered donations. This offers an additional benefit of a tax deduction. **We are a nonprofit 501(c)(3) organization.**

PTC's initial goal is to **close the gap of our school's operating expenses**. Once this gap is met, additional funds raised may be utilized to improve our school's classrooms, upgrade technology, facilities upgrades or plan community events.

**We are blessed to have a generous and supportive community. Your contributions and volunteerism benefit each student. THANK YOU!**
